	YES	SOMETIMES	NOT YET

2. When looking at a picture book, does your child tell you what is happening or what action is taking place in the picture (for example, "barking," "running," "eating," or "crying")? You may ask, "What is the dog (or boy) doing?"	○	○	○	
3. Show your child how a zipper on a coat moves up and down, and say, "See, this goes up and down." Put the zipper to the middle, and ask your child to move the zipper *down.* Return the zipper to the middle, and ask your child to move the zipper *up.* Do this several times, placing the zipper in the middle before asking your child to move it up or down. Does your child consistently move the zipper up when you say "up" and down when you say "down"?	○	○	○	
4. When you ask, "What is your name?" does your child say both her first and last names?	○	○	○	
5. Without your giving help by pointing or repeating directions, does your child follow three directions that are *unrelated* to one another? Give all three directions before your child starts. For example, you may ask your child, "Clap your hands, walk to the door, and sit down," or "Give me the pen, open the book, and stand up."	○	○	○	
6. Does your child use all of the words in a sentence (for example, "a," "the," "am," "is," and "are") to make complete sentences, such as "I am going to *the* park," or "*Is* there a toy to play with?" or "*Are* you coming, too?"	○	○	○
